

Associations Find the Edge with Web-based Solutions

With the economic downturn, Associations are looking for new ways to streamline operations and improve efficiency.

The Exware **Association Management System (AMS)** centralizes, integrates, and automates an association's activities, including:

- **website management / content management**
- **member management**
- **event management**
- **email communications**
- **online donations**
- **e-commerce**

The Exware AMS has a one-time fee without any ongoing per registrant, per member or per event fees. Ask Exware for a no-obligation web-based demo today. Demos are approximately 15-minutes, depending on the number of questions you have.

Request a demo today at www.exware.com/demo
or call Molly at **604-684-9440**.
