

GROW. RETAIN. ENGAGE.

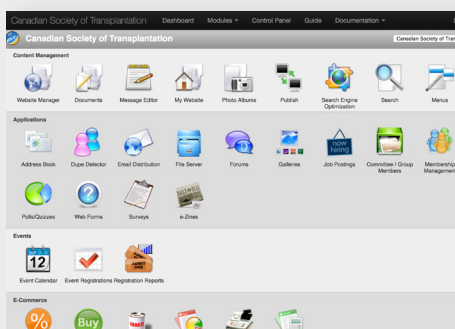

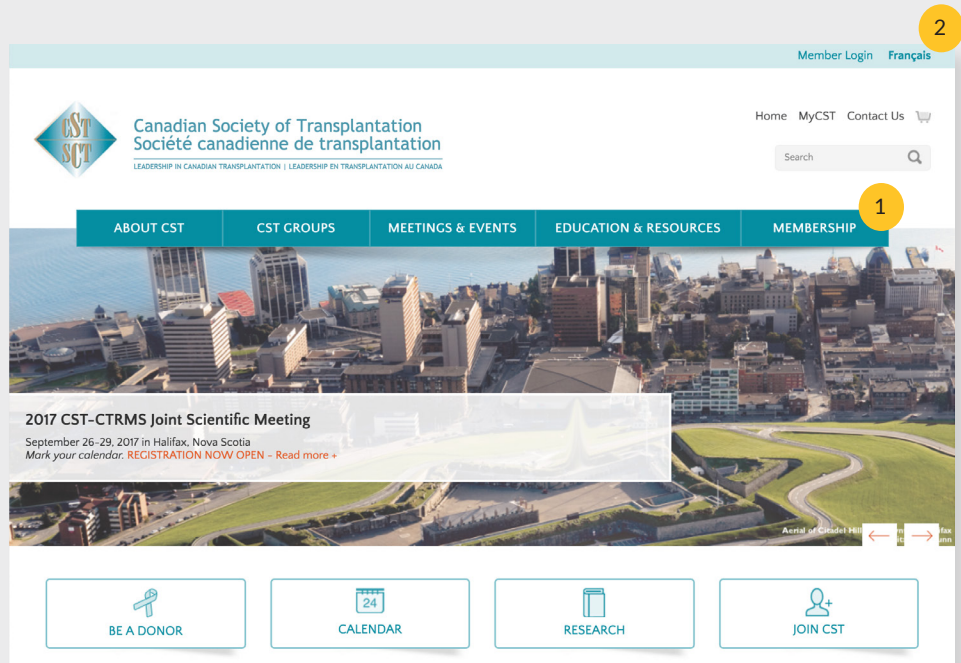

Exware offers the latest features & functionality in Association and Membership Management

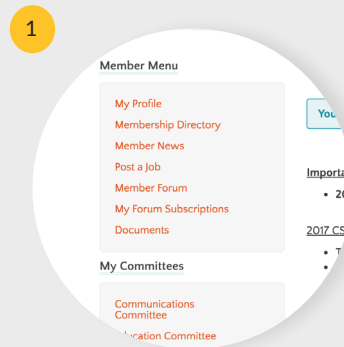

FEATURED PROJECT:

“We have been using the Exware AMS since 2014. We use the system to manage all website content, events, members, committees and more. The staff at Exware have been great at showing me how to make the most out of this valuable association management tool.”

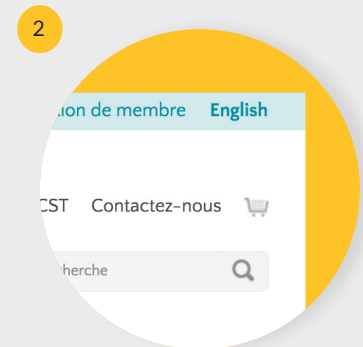

Rob Gallaher
Executive Director
Canadian Society of Transplantation (CST)
